## Join our Trust and cash in on discounts

Want a new year's resolution that will be easy to keep and could even save you money? Why not resolve to become a member of Peterborough and Stamford Hospitals NHS Foundation Trust?

Anyone over the age of 16 can register to become a member of the Trust. Our members can play an active part in their local hospital by helping develop hospital services and attending our regular members' meetings at either Peterborough or Stamford Hospital.

In addition, one of the popular benefits of the scheme is that our members can receive the same NHS discounts as Trust staff, which can be very useful for making savings.

Membership is completely free and discounts can be received from various retailers giving cut price offers on items such as discounted clothes, dining out, insurance, holidays, city breaks and days out, gifts, electrical items, technology, gadgets, theatre breaks and more. New members can register to take advantage of these offers at **[www.nhsdiscounts.com](http://www.nhsdiscounts.com)**.

Our members are kept up to date on hospital news via our quarterly magazine The Pulse and can choose to stand for election and become a Trust Governor.

To become a member of our Foundation Trust, please get in touch through either of the following:

- Call our Membership Officer Rebecca Dickinson 01733 677851; or
- Complete an online application form at **[www.peterboroughandstamford.nhs.uk](http://www.peterboroughandstamford.nhs.uk)**
